"Mama Bay" had an amazing heart. Her children were the light of her life and she constantly showed how proud of them she was. I'll forever remember the times we spent, the laughs we shared, her home cooked meals, her dancing around the house, and overall joyful spirit. I love you always ❤️

My mom is a loving and caring woman, who helped anyone who was in need. She's the type of woman who dedicated herself and life to her children. She made sure that we were prosperous in our life journey and. Supported us hand in hand along the way. I know now that my mother finally got the recognition she deserved. God realized how special she was and blessed her with a room in his kingdom. she earned her position with Christ by her good deeds here on earth. Now, she no longer has to suffer in this corrupt world and be apart of its demise. she's now our guardian angel, always looking after us. I love you mama!!!
