Marquita Scott posted:

Ms. Eunice was so kind and always treated me like family...My fondest memory of her is when we would laugh together about the many funny things that happened when we used to attend the same church. She had such a sense of humor, was a great cook, and truly loved her family. Though we hadn't spoken in a while, she still reached out so she could meet my daughter and tell us she loved us. She also still reached out to me to share news about family, good or sad. It means so much for people to honor you in this way. She loved the Lord and I know she's ok. I thank God she met my baby girl and I won't forget Ms. Eunice...
