Well, I made it through my first mother's day without you. I didn't know how I would do it. But as usual, you were there and provided a way. The song something about the name Jesus came on and I was instantly comforted as the memory of you calling on his name came about. I could hear you as if you were right next to me. Oh mama I miss you so much. I really do. The boys do too. You were the best grandmother ever and I'm not quite sure if I can measure up. But I'll try...in 20 years when that day comes 😊. Thank you for everything you taught, gave and did for me and the boys. There's not a day that goes by that I don't think about you. You will forever live in our hearts. We will love you forever and even after that 💜.
