Melody S. Akande sent a virtual gift in honor of Willie.

My heart is heavy for the passing of Pastor Knight. He was my Pastor and friend since I was a little girl. He and First Lady Rose Knight was a major contribution to the Godly woman I grew up to become. I have so many fond memories of growing up and being active with the Knight family at Unity COGIC. From singing in the choir with First Lady Knight to absorbing the rich Word given by Pastor Knight and the beautiful fellowship we enjoyed with those delicious meals we feasted on in the dining hall. The gifts I received from this Godly family will continue to be passed on for generations. Be encouraged and comforted Knight family. This was indeed a life well lived! And if you want to see him again, invite Christ into your heart while there is still time! With my sincere love, Melody Stewart-Akande

I truly thank the Lord for this man of God. I can definitely say that I am a product of his ministry. I served under him for about 26 years. I got saved, baptized, filled with the Holy Spirit, married, and ordained under his watch. By watching him, he taught me about humility and serving God and serving all people whether it's reaching the lost or just giving them time. He taught the word of God and loved standing with his tambourine praising Him. I will truly miss him. The family will be in my prayers. Love, Ras Holmes
