Kat was one of the smallest ladies I have ever known but that lady was a giant in everything that she did when we would sit and talk I was like how can one person take so much and not complain? I love you Kat

To my favorite Auntie I'm going to miss your big happy smile and all of the fun times of listening to your good ole music growing up coming over to your house as kids and adults especially Betty Wright I really didn't understand her songs until i got grown and then came to see why you liked her so much then I started liking her too. Auntie this hurts so much especially not being able to come to your home going but I do know not to question God and that you now have your wings and is resting with the Lord I will forever love you so go on and rest in heaven 🙏 and give Mom and the rest of the family that's up there a kiss for me 💋 love your niece Kimberla 😭❤️
