Catherine Rose

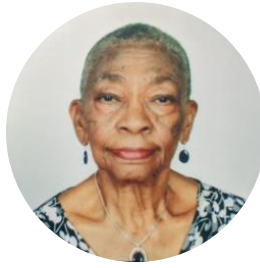

NOV 4, 1934 - JUN 1, 2021

Catherine Rose (nee Belnavis) passed away on June 1, 2021. She was born to Thomas and Leah Belnavis in Sturge Town, St. Ann, Jamaica in November 1934. Growing up, she was an active member of her church congregation - singing and playing the piano with the choir as well as leading Sunday school. After attending primary school, she went on to achieve her teaching certificate from Mico Teacher's College and to marry Noel Rose with whom she had three children. She taught grade three at several schools throughout Jamaica and won multiple awards for teaching, dance instruction, and choreographing for festivals and competitions. Her last teaching position in Jamaica was as a highly beloved and esteemed educator at Claremont All Age School before she migrated to the United States in 1977.

As a new American citizen living in Los Angeles, California, Catherine earned her nursing degree from Compton College and worked as an orthopedic Registered Nurse at Harbor-UCLA Medical Center for over fifteen years. She excelled in both her professions and her pastimes because of her passion for service and caring for others. Preceded in death by her parents and husband, Catherine is survived by her children Dian, Donovan, and Donna as well as her sister Thelma, brother-in-law Jim, son-in-law Trevor, nephew Kevin, grandniece and grandnephew, seven grandchildren, and nine great-grandchildren.

Memorial service will be held at 11:00am on Saturday, July 17, 2021 at San Pedro United Methodist Church, 580 West 6th Street, San Pedro, CA 90731. A private interment will take place at a later date.

In lieu of flowers, donations to the American Diabetes Association (<https://www.diabetes.org/donate/donate-memorial>) or to Alzheimer's Association (<https://act.alz.org/>) would be greatly appreciated.

Catherine Rose is the epitome of a true leader and teacher. While I did not recognize it at the time—the dedication and commitment she had to her role was demonstrated daily through her insistence on punctuality, neatness and effort. She cared about the whole student. She also stepped away from the classroom and the chalkboard to engage the cultural aspects of the child by teaching daily, another commitment for which she held you accountable. You were expected to be punctual, to pay strength in and give your best effort and if you didn't she had her ways of encouraging otherwise. A great mantra to live by. Her influence will forever be with me. RIP beloved !!🙏

One of the memories that came to me a few days, was one where I got my last smacking from Mrs Rose (Miss Rose) that was because she thought I had hard ears, won't listen and being stubborn, but there was no way I could get away from her, she was in Church on Sundays as a Sunday School teacher too. Through all that I never lost respect for her and I loved her throughout all that discipline. It is the foundation that I got many years ago, that is keeping me now. Rest in Peace Mums, thank you for teaching me the foundation things in life, both morally and academic. I could not see you but you were always in my heart. My condolences to Danny, Marcia and Donna and the rest of the families, as you go through this challenging time. God bless you all in Jesus mighty name. 🙏🙏🙏

I have only good memories of Mrs. Rose, although she didn't teach me at All Age school I was in her house Marigold for sports day. As a dance teacher she had a lot of vibes and although our house wouldnt win we still had fun! I was thrown into a race by her because the person who should run didn't turn up and after the race hear her " you couldn't tell me you could run?" Sleep well Mrs Rose and to her children Donna, Danny Marcia, grandchildren other relatives - cherish the good memories of her. May her soul rest in sweet peace.

Mrs. Catherine Rose was my teacher in grade 3 at the Claremont All Age School, Claremont, St. Ann, Jamaica. What I remember most about her is that she prepared a team for the annual Festival. When one goes to training there was no playing around as her goal was to always come back with a 🏆 medal, and she did.....on many occasions. When concentrating to get the dance steps right she was always at us, 'keep the smile, you must be enjoying it'. Wow!! An efficient and successful teacher. Go on now, soar with angels!! RIP Madam.

May this iconic individual rest in peace. She has lived a full and fulfilling life, based on her professions and must have made a huge impact on many lives. Donna I implore you and your loved ones to not mourn her death, but instead celebrate her life. My sincere condolences to you all and I pray you may find strength in the fact that you have your personal guardian angel.
