Jewel was a precious Jewel 💎 indeed! I had the privilege of working with her as DPSS Deputies. She lit up the room as she entered with elegant grace. No matter what was going on, she persevered with strength, determination and most importantly Hope in God. Until we meet again my Sister in Christ, Love you forevermore, Marilyn Iverson-Dendy 🙏💜

My heartfelt sympathy goes out to Gerald, Jerry., and Tish. I am shocked and saddened at Jewel's sudden passing. Jewel and I started our DPSS careers together in Long Beach back in the early 1970's and remained friends. I was her supervisor when she was in Los Angeles County Welfare Fraud Prevention and Investigations and when she promoted to Deputy we still kept in touch and remained friends. My husband passed away in Dec. 2000 and I had my 5 year old grandson staying with me at the time and I'll never, ever forget that Jewel came over and brought a fully decorated, complete with lights, Christmas tree for my grandson. When I was extremely ill a year ago, I called and left her a message telling her that I would never ever forget her act of kindness and that she would always have a special place in my heart. Now I am so glad that I took the time to let her know how special she was to me. Her whole world was "Tish" and "Jerry" and of course Gerald. She talked non stop about her family and she was a devoted wife mother and grandmother. She was certainly a one in a million friend too. God bless her family and friends as they get through the trying days ahead. Cheryle Henkle
