Kimberly Terrell

Randy Miller posted:

I met Kim and my wife when we all worked at the same company. She used to crack me up when we would go out to lunch. We enjoyed her humor so much that we had her conduct our wedding ceremony when we eloped. Julie saw her in late June but was unable to contact her recently and now we know why. She had several health scares and it looks like one finally got her. We will miss her dearly. Randy Miller

Oh no! I'm so sorry to hear this. She was one of a kind. Stephane
