Nadia Kozak posted:

Forever Remembered Our hearts still ache with sadness and many tears still flow. What it meant to lose you, no one will ever know. We hold you close within our hearts, and there you will remain. To walk with us throughout our lives, until we meet again. My sympathy to the family for your loss. If Kim has any way to be around she will always always be a member of your extremely close family. The news of this tragedy has been difficult and I know her memories will help carry the family through this difficult time. "What we have once enjoyed we can never lose. All we love deeply becomes a part of us." -Helen Keller Nadia Kozak & family, Edmonton, AB Canada
