Family is important. I will miss my cousin. He was more in my knowing him because he was born during my senior year of high school. Whenever we saw each other there was the hugs. The last Hardimon get together we drove him to the airport. One year my youngest son stayed with your family when we visited California for some reason. My condolences is for all your family. Wanda and Clarence Powers. (Carpenter).

Cousin Darrell, "Duke", was one of the OCC-"Original Cool Cousins". There are a lot of them in the Hardimon family. I remember at Uncle Ralph and Aunt Lorena 50th Wedding Anniversary celebration, Darrell step up to the Karaoke mike and the "People All Pause". They really did. The brother could SING!! as well as throw a great fish fry. I was not privy to a lot of my Cool Cousin generosity but what Darrell gave to all of us is example of the Hardimon's Love. As Chris Hardimon famously coined "I Love You To The Last Number". Prayers and Blessing.-John Carpenter, who's no way a cool cousin but love you all none-the-less.
