Susie Prymus

R Anderson posted:

Suzy Prymus worked with my mom, Ann Anderson, in the OB/GYN clinic at King Hospital for many years. She was my mom's "Birthday Twin" - they called each other that because they were born on the same day in September. I was a kid and would go to the clinic after school. Ms. Prymus was always nice to me - and was a good friend to my mom. My mom is still living but has Alzheimer's. I've often thought about her friends at King Hospital- her cherished friends (I need to find and share photos of them). I'm glad I knew Ms. Prymus. I'm sorry for your family's loss. This post is late but I hope someone sees it and makes them smile. What a lovely soul she was. Re Anderson
