Mack Edward Porter Jr posted:

Kenny and I didn't talk a lot. I have more of a relationship with Bunny, and had one with Gloria. But whenever we saw each other it was always good. We were connected through our McClinton blood. I always enjoyed seeing him and will miss him. I left my number and name on the text message. There are so many of us, who really don't know each other, or our off spring. Maybe as Kenny R.I.P. some of us might use this as a stepping stone to get to know each other or where we came from, a little better. Good Bless Kenny's Family, and God Bless All of Us.
