I Will lift up mine eyes onto The Hills from whence cometh my help , my help comes from the Lord which made heaven and the Earth . To the family of Elizabeth Mitchell Mc Cloyne . I can remember how happy her phone calls made my grandmother Annis Richardson. it seemed as if they talk on the phone for hours at a time and I could hear my grandmother laugh out loud. It was to the point that it would make me laugh. I didn't even know what they were talking about. The first trip that I can remember that I'd ever made at four years old was to Los Angeles, California. It was the longest bus ride that I've ever had. With my grandma Annis Richardson, my mother Ethel Lee Richardson Hollinshed and my little brother Anthony Hollinshed . While there I met My grandmother's two sisters Aunt Lizzie and Aunt Lean and there Dad-my Great grandpa William Sommerville . It was the best thing that ever happened to me because we did not return to California until many years later. I am so grateful to have had the opportunity to get to know my great Aunt Lizzie along with all of my California Family. I am Gwendolyn Hollinshed .

I just want to express my sincere gratitude and appreciation to my cousin Eloise for taking care of my aunt Lizzy who I remember. She was always so sweet and kind and would do whatever she could for us. Thank you for working so diligently to get her back to L.A. so that she could be with Papa, and her sister, and brothers and so many loved ones for her final resting place before she meets Jesus. God bless our family with peace beyond our understanding.

Precious in the sight of the Lord is the death of his saint. Ps16:15 Lizzy was my last aunt. I have fond childhood memories of her. she was so close in age to Geneva and me. she didn't make us call her aunt. Rest well Lizzy ,see you later. Leona Thomas
