Time flies so fast and waits for no one. Arthur graduated this year. While driving to his ceremony we past a street named "Baker".

I remember riding the bus and train with you almost everywhere early 2000s. We loved going to the large library downtown and "the alley" when they use to have good deals. Magic Johnson Park, Ted Watkins, A&Ts Burgers, Crenshaw Mall, Culver City Mall, Southwest, El Camino, Los Angeles Trade Tech, Hollywood, Universal. So many memories. I miss you beyond words. Always remembered.

I remember that you would always have smart alec responses during conversations outside of your house. You were always so funny. I miss you a lot. Its Virgo season and your birthday is coming up on the 4th of September.
