Karena Payne lit a candle in honor of Dorothy.

There's so many things I could say to describe Dorothy....she was an amazing woman who loved her Daughter and grandchildren and her family and she was such a delight to have around and every time there was a family get together Dorothy would be there she was the life of the party. I will miss her phone calls, visits and all her funny little phrases she would say. She was a great big Sis, friend and mother/grandmother. She will be greatly missed rest in peace Sister
