JJ attended my moms service in 2013 and he came ready to ride . He was not apart of the escort team , however he made himself lead and he lead the escort team from Holy Chapel to Inglewood Park Cemetery . JJ made that ride so special he told us he was taking Ms. Geraldine to her resting place . And he did , having someone who knew her lead the way brought us all comfort . The escorts all commended JJ on his ability to command the traffic and making the trip like riding on a cloud ☁️. Forever grateful for his servants heart ❤️.Kim
