Gigi messaged me on Facebook one time and we talked for a while. Then she asked me out the blue "Is there a Western Union or somewhere out there close to you?!" I said "Ummmm.... Yes ma'am. There're all over out here. Why?" She said "Because I'm bout to send you something and you're gonna take it!" We went back and forth for a minute until she fixed my butt and CALLED ME and we spoke on the phone and she said "Write this number down and go'on get it!! Don't make me come get you!!" I said "Yes ma'am.... Thank you!" She said "Your daddy had his ways but one thing he did was love his kids and grandkids and talked about you all the time! We need you to come on out here one day and visit, okay?" again I replied "Yes ma'am I definitely would love to and will!" Now when I do get the chance.....I can't see or hug her.😭😭😭 I'm sorry I never made it, GiGi. Get your rest and tell Daddy we love and miss you all!! "To be absent from the body....Is to be present with The Lord..." Miss and love you- Princess💜
