Carmen Marie Harrison lit a candle in honor of Willie.

To Shawnee and Scooter AKA Willie James Jr. May our Heavenly Father give you the strength and comfort in your time of bereavement. Just know God is your strong arm and strength. In all your ways acknowledge Him, and He will direct your path! No matter what joy will come in the morning. Your father lived his life to the fullest. He enjoyed having fun and different experiences. Thank you my dear big cousin for the great memories, fun, and family gatherings. Thank you for opening your door for all baby showers, champagne parties and just because. You will be missed, so rest well my cool, style, bike riding, low riding cousin. Sending prayers love and hugs from Saginaw, Michigan. Carmen M Harrison & Family
