Audrey Warrick

MAY 26, 1933 - NOV 15, 2023

Audrey Mae Warrick was born on May 26, 1933, in Bunceton, Missouri, the thirteenth of fourteen children born to Harry and Georgia (Crump) Warrick. Audrey accepted Christ at Mt. Zion Baptist Church in Bunceton, Missouri. She graduated from Summer High School in Boonville, Missouri, in 1951, and was the Valedictorian of her class.

She continued her education at Lincoln University from 1951 to 1955, graduating with honors with a B.A. in Elementary Education. Her philosophy was, "It is my principle to see all and say little." Also, while attending Lincoln, Audrey pledged and became a member of the Delta Sigma Theta Sorority in 1952. In 1955, Audrey moved to Los Angeles, California, to begin her career as a teacher. Her son, Gordon, was also born the same year. Due to the strict regulations for becoming a teacher in Los Angeles at the time, it became very difficult for her to secure a full-time position as a teacher in the LA. area. In 1956, Audrey was put in a precarious position to pursue her dream to become a teacher. She was forced to make the ultimate sacrifice and leave her son with her sister in order to take a teaching job in El Centro, Ca (216 miles from Los Angeles) to allow her to fulfill the requirements to become a teacher. She knew that her short-term sacrifice would allow her to put her family in a better situation to succeed. In 1963, Audrey obtained a substitute teaching position with the LA. Unified School District, and after overcoming many obstacles, she finally became a full-time teacher. She continued working at 111th Street School and Loren Miller Elementary School until she retired in 1998. Soon after returning from El Centro, Audrey became a member of Belmont Baptist Church under Pastor

John Frazier, and in 1975, she became a member of Athens Baptist Church under Pastor Charles Long. She was a Sunday School and Vacation Bible School teacher at both churches.

Audrey was very involved in the community and worked along with the Inter Alumni Association, Lincoln University Alumni Los Angeles Chapter, Columbia Missouri California Connection (CMCQ), and she was a lifelong, active member of Delta Sigma Theta Sorority. After retiring in
