Rest in Heaven, Cousin! have so many memories of you. You were my cousin, friend, hair stylist and one of the sweetest people I knew. I will always remember your smile and your laugh. I was always happy to see you and be around you. You lit up the room whenever you were present. You are truly loved and missed. Your beautiful children are an extension of you and will always remind us of you. I love you ❤️

I loved the fact that although you were an extension of my sister in Christ you made me feel like I was your sister!! I loved our times we would speak and just talk about life and kids and how you would reassure me that I can call you anytime!!
