Wanda (Queen) Johnson as I reflect on the beautiful memories you leave behind, my Prayers are that you're Resting in Paradise Peacefully. I will always remember that infectious smile and that gracious stroll you made as you proudly walked, you are definitely one of the Prettiest Flower Of The day In God's Gardens. For every flower that I encounter in this life I'll always think of you. REST IN PEACE ANGEL 😊💜💛

Hi Wanda, I still can't believe I'm typing this to your memorial page. You are so missed. Facebook is not the same anymore! As you would comment and like every post that I make lol I think about you anll the time. Wish I can hear your voice. I pray for your babies every day, love and miss you, my friend.

Dear Mommy, this still doesn't feel real. every single day is a battle that i have to fight to stay grounded, to stay present & i have to keep forcing myself to push through. i never thought this would be a reality so soon, not when we still had so much living to do, so many things to do. i need you Mommy, i really need you here. 55 years is way too young. i miss your voice, your scent, your beautiful bright smile, your laugh, your hugs, your beautiful face. i miss you so much, i can't ever express how much i miss you. i miss you much Mommy 😭 i miss you, i miss you, i miss you 😭 we'll see each other soon, i promise. always & forever, Your Princess

To the Queen: You are the most special person in my life. All the good times we had , family gatherings and just those special talks we had. I will always carry those with me. You are gone way to soon but I know you are in a better place. See u on in heaven. Love always and forever Antwane #teamcancer
